

TITLE: Internship Placement Manager
LOCATION: St. Louis, MO

NPOWER BACKGROUND

NPower is a high-performing leader in providing pathways to successful digital careers for veterans and young adults from underserved communities across the US and Canada. NPower's award winning training programs use curriculum informed by senior industry leaders and labor market trends. On average, NPower graduates 85% of enrolled students, and has over an 80% rate of success for employment or continued education within 6 months of graduation. Notable corporate partners include Symantec, Cisco, Bank of America, Citi, CBS, JPMorgan Chase, and HP.

We address many of the primary barriers that our young adult community confront. Beyond free technical classes, our career training programs provide in-demand certifications within weeks, paid internships, professional networking and mentorship with business leaders, soft skills coaching, connection to social services, job placement assistance, transit assistance and an opportunity for graduates to give back to the program via our professional volunteer network. We provide ongoing career coaching, advanced certifications, and leadership development for our alumni, ensuring that we are developing true pathways for long-term success for our students.

POSITION SUMMARY

If you have a passion for helping people grow, develop themselves, and better their lives and their community this opportunity is for you. The Internship Placement Manager will be responsible for sourcing and matching students with internships for NPower St. Louis program participants. They will manage corporate and non-profit partner relationships, working to renew and expand internship opportunities by engaging partners. Additionally, this position assists students with professional and job search preparation activities. A comfort level in helping NPower develop business relationships with revenue potential is crucial, as is thinking critically and creatively about whom to approach for business opportunities and how to position NPower.

Successful candidates will be self-starters who have a proven track record of success and can lay a strong foundation for securing and sustaining high numbers of internships, as well as providing support and professional development for NPower students. You will be able to leverage existing partnerships and new resources in St. Louis and the surrounding areas, as well as, follow up on leads generated by leadership and strategic partnerships.
