NPower

NPower is a high-performing leader in providing pathways to successful digital careers for youth from underserved communities and veterans across the US and Canada. NPower’s award winning training programs use curriculum informed by senior industry leaders and labor market trends. On average, NPower graduates 85% of enrolled students, places 100% of graduates in paid internships and has over an 80% rate of success for employment or continued education within 6 months of graduation.

We address many of the primary barriers that our young adult and veteran communities confront. Beyond free technical classes, our career training programs provide in-demand certifications within weeks, paid internships, professional networking and mentorship with business leaders, soft skills coaching, connection to social services, job placement assistance, transit assistance and an opportunity for graduates to give back to the program via our professional volunteer network. We provide ongoing career coaching, advanced certifications and leadership development for our alumni, ensuring that we are developing true pathways for long-term success for our students.

Over the past decade, NPower has developed a robust network of Fortune 500 companies, mid-sized enterprises, government agencies, staffing firms, and a network of nonprofit partners that host our interns and hire our graduate’s fulltime.
